

# STENSHUVUDS NATIONALPARK

## A BIODIVERSITY GEM IN ÖSTERLEN

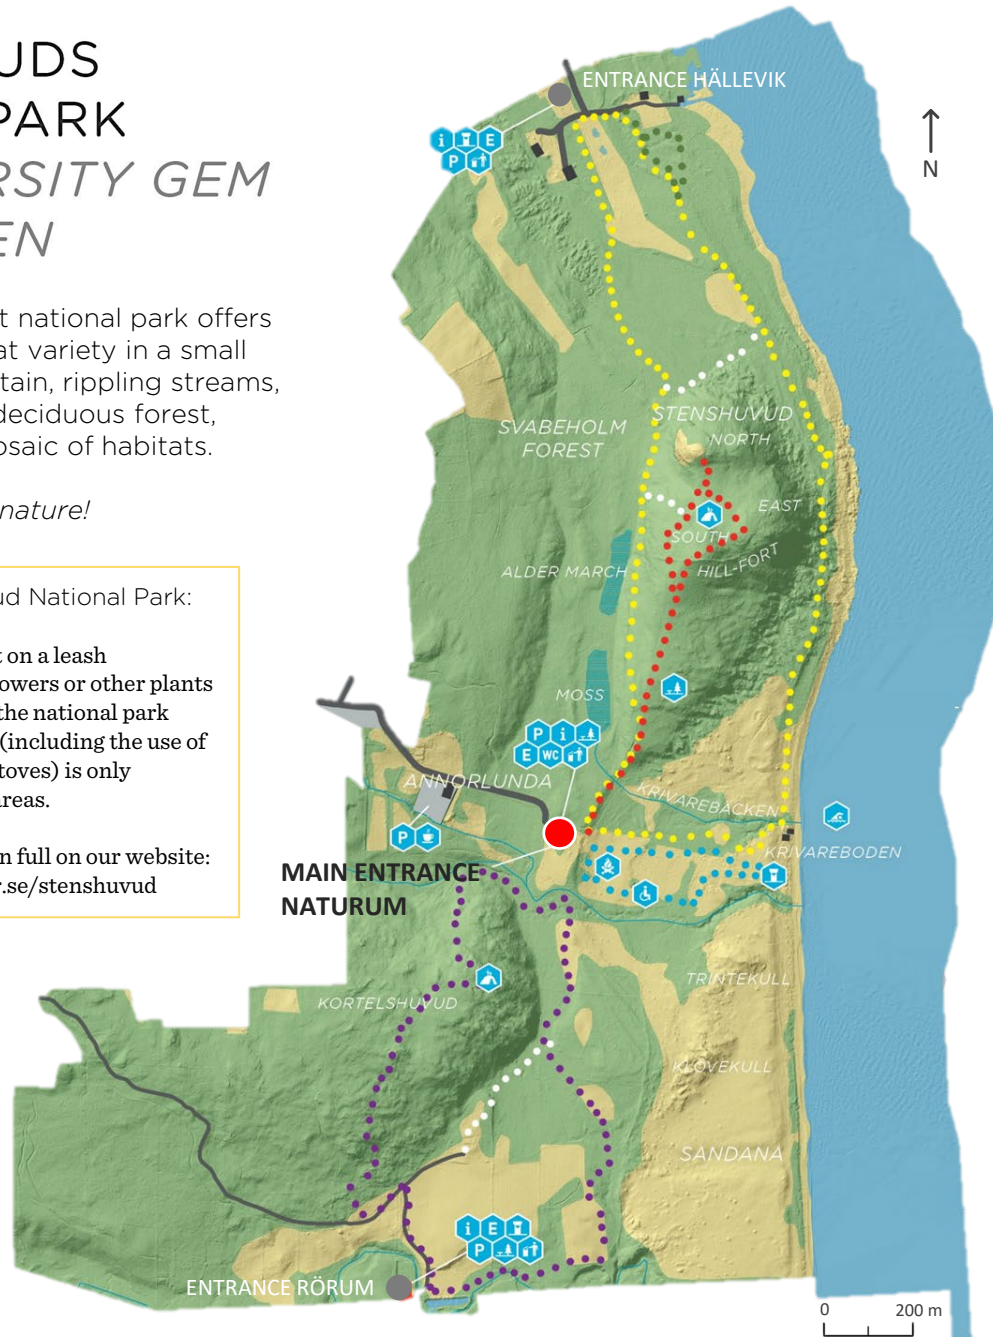

Sweden's southernmost national park offers unique nature with great variety in a small area. The coastal mountain, rippling streams, sandy moors and lush deciduous forest, comes together in a mosaic of habitats.

*Welcome as a guest in nature!*

### Regulations in Stenshuvud National Park:

- Dogs must always be kept on a leash
- It is not allowed to pick flowers or other plants
- Cycling is not allowed in the national park
- Camping or making fires (including the use of barbecues and camping stoves) is only permitted in designated areas.

The regulations can be read in full on our website:  
[www.sverigesnationalparker.se/stenshuvud](http://www.sverigesnationalparker.se/stenshuvud)
